NEWS!!

Project Milestones & Global Outreach

We are thrilled to share several key updates as we move closer to the completion of our landmark development. From logistics to international partnerships, the momentum is building:

Logistics & Supply Chain Success

We have reached a critical milestone in our procurement process. All premium finishing materials required for the project have successfully arrived. These high-quality components are currently secured either on-site or at the Port of Mombasa, ensuring our interior works proceed without delay.

Strategic Operations: Early Apartment Launch

In a significant move to provide value to our investors and residents sooner, Best Western Hotels and Aleph Hospitality have officially approved a partial opening strategy.

This allows the residential apartments to begin operations and welcoming guests ahead of the final completion of the Hotel Block.

International Property Roadshow

To coincide with the celebration of Rwandan Independence Day, we are taking our vision to the global stage. On July 4th, 2026, we will be participating in an exclusive London and Paris Property Roadshow. Hosted in partnership with Century and our key associates, this event serves to showcase our premier real estate opportunities to the international market during this historic national anniversary.
